

## Safety and Health for the Voluntary Sector

### MEMBERSHIP APPLICATION

The Charities Safety Group exists to support the charity and voluntary sector and relies on the support of members to continue this work. All those working in the sector are welcome to join, with the exception of commercial organisations who are barred under our constitution.

Under the present national circumstances the CSG management committee has decided to postpone the request for an annual membership fee but reserves the right to reconsider this decision at a later date. Please complete the form below and forward, to:
