

## Eligible Courses for Nebosh Scholarship scheme for Charities Safety Group Members

Take a look at the [Nebosh site](#) to find details of the content of each course.

The intentions of the scholarship scheme is that employees and authorised volunteers of UK-based charities are able to apply for one of the courses detailed below. Their roles should be primarily involved in health and safety and the qualification will assist the organisation in meeting their legal responsibilities. The form should be countersigned by a Director or Manager who holds a direct lever of authority and responsibility in the management structure which includes health and safety.
